COMPANY OVERVIEW

Glacier Chain Supply, Inc. is a leading wholesale distributor of Pewag Products and boasts over 25 years of experience in some of the worlds most challenging conditions.

We are offering our deepest discounts to the GSA and are committed to personally assisting our customers to determine the best solutions for their traction needs.

Pewag has the strongest traction products in the industry with durability lasting up to 40% longer over other brands.

THE PEWAG DIFFERENCE

- Pewag products are made of premium high-grade alloy steel and employ innovative designs for every application
- Pewag has invested in and hires American workers with their new manufacturing plant located in Pueblo Colorado.
- Durable, reliable and superior traction products equal less downtime and repairs resulting in lasting performance and safety.
- Multiple warehouses are strategically placed in the U.S. to better serve the needs of customers and rapid fulfillment of orders.

TRACTION CHAIN PRODUCTS FOR:

- Emergency Vehicles
- Tractor Trailer Rigs
- Heavy Equip: Loaders, Graders, Dump Trucks
- Military Vehicles: On and Off Road
- Passenger Cars, Trucks, SUV's, 4x4's
- Single & Dual Tires
- Regular & Heavy Duty Applications
